Commissioner for Patents

Applicant's refusal to correct the summary of the claimed subject matter, as required under 37 CFR 41.37, is acknowledged; however, it is maintained that the requirement for a correction to comply with the rule is necessary to place this application in proper condition for reviews by the Board members. To avoid dismissal of the appeal, Applicant must file an amended brief with a proper summary of the claimed subject matter or to take other appropriate action within the time set forth in the previous Notification of Non-Compliant Appeal Brief, mailed on May 15, 2006.
